If a parent or legal guardian is under the age of 18, a cosigner must sign the contract to act as guarantor to the contract and agree to be bound by all financial terms.

The financial terms will be finalized upon signing of the parent-center contract.

No refunds will be given for days when children do not attend for illness or other reasons.

Sibling Discount:

Mariposa offers a 10% sibling discount. The children must be enrolled full-time at Mariposa for the discount to apply (for example, After School care is not considered full-time enrollment). The discount can be applied to no more than two children. The discount will only be applied to the oldest sibling(s). For example, child #1: 3-month-old (no discount), child #2: 2-year-old (10% discount applied), child #3: 5-year-old enrolled in after school program (no discount).

Vacation:

Mariposa will close for up to 5 business days between the Christmas and New Year holidays. During this closure, parents will not be charged tuition. Items to note:

- The 5 business days will not necessarily include the already planned closures for Christmas (typically December 24th and 25th) and/or New Year's (typically January 1st).
- It is understood that the week specified above can vary depending on the days of the week on which they fall. As such, Mariposa will provide the exact days of closure once they set the calendar for the associated school year. This is typically around the beginning of the new calendar year.

Third Party Payments:

If there is a third-party payment, from an employer or the county for example, a special payment schedule will be arranged and detailed in the contract. Co-payments are due in one week's increments unless otherwise arranged. Parents will be responsible for any specified co-payments, registration fees, or any unpaid amounts. Parent will schedule direct deposit for co-payments.
